FOUNDED BY ROBERT JOFFREY IN 1953

## High School Academics at Joffrey Ballet School

All Joffrey Ballet School students have an opportunity to receive their high school education and diploma taking advantage of one of 4 options; Keystone Blended Instructional Program, George Washington University High School, K12 International Academy, or Keystone National High School.

Joffrey Ballet School and K12 provide a second to none academic offering. Utilizing K12 teachers, counselors, enrollment specialists, and academic coordinators; Joffrey Ballet School has a flexible academic model structured for student to physically and academically compete at an elite level.

These programs include supervised study periods in a classroom on the Joffrey Ballet School campus in the afternoons which are placed seamlessly into the student's Trainee class schedule (a purely online option is also available).

We have a Keystone blended instructional program. We integrate an individualized academic program with a flexible college preparatory experience that meets and exceeds state and national standards. Our academic program is individually tailored to our Joffrey students' needs - more than 100 courses, including a full range of core curriculum, advanced placement, honors classes, electives and college prep courses.

Our graduates have the ability to attend many top tier universities across the nation. Our uniquely-flexible program provided by Keystone National High Schools adapts to students' training, competition and travel demands by offering customized Bi-Monthly schedules and calendars, continuous enrollment, 24/7 access. Overall, Keystone delivers experienced teachers, a college preparatory curriculum, daily onsite support, and the recognition of specified Joffrey courses in progression plan.

Keystone Blended Program at Joffrey also offers extensive classroom and coaching support. A network of teachers and coaches ensure that students are progressing on schedule and comfortable with their classes and assignments. They proactively reach out to students daily in live class sessions and guide them through the learning process. We also have other purely online solutions for our students that aren't enrolled in Keystone blended program.

Each program is uniquely developed, understanding academic needs range from aspiring to attend a top-tier, competitive university to high school completion. Students can benefit from a rich and demanding curriculum, one-on-one instruction by certified teachers, dedicated Academic Advisors, College Counselors, and full technical support provided by K12. Through K12, students are able to gain a private-school education with the flexibility of learning virtually anywhere, at any time.

# JOFFREY BALLET SCHOOL

FOUNDED BY ROBERT JOFFREY IN 1953

This uniquely flexible program adapts to students' training, competition and travel demands by offering customized weekly schedules and calendars, continuous enrollment and 24/7 access. Overall, K12 delivers experienced teachers, a robust curriculum, intense PSAT, SAT and ACT training, and college counseling, so that students can secure spots at top-tier universities.

K12 at JBS provides a structured yet flexible solution for talented individuals to learn without any compromise. Every student is challenged with competitive instruction designed to prepare him or her for college success. As an accredited institution, K12 offers an extensive curriculum of 120 classes including electives, AP and Honors courses.

K12 's AP courses are listed as approved by the College Board to carry the Advanced Placement title on transcripts. Our students may be inducted into the National Honor Society. As a school accredited by the Southern Association of Colleges and Schools (founded in 1895 SACS/ CASI accredits over 13,000 schools), our students are now able to benefit from these organizations as their credits may be transferred from school to school, international recognition for quality, standards based on research on factors that impact student learning, greater accessibility for students to federal loans, scholarships, post secondary education, and military programs, and a framework to help meet local, state and national requirements, and professional development opportunities.

We are currently accepting applications for all programs. Due to space limitations we can only accommodate a specific amount of students into Keystone Blended Program and will enroll on a first come first serve basis.
