Children's & Youth Ballet Program

JOFFREY BALLET SCHOOL

FOUNDED BY ROBERT JOFFREY IN 1953

Important: Masks are required for all classes.

All faculty and staff
of the Joffrey Ballet School
are fully vaccinated.

Required Testing & Vaccination Proof

COVID TESTING

For the start of the school year a negative Covid Test must be submitted. A PCR test must be taken with 5 days of starting. Only PCR tests will be allowed.

After this monthly COVID testing is required, regardless of vaccination status. If you are a student in NYC Public Schools, a participating private or parochial school you can submit the Negative Test results from your monthly school COVID Testing. Otherwise you must go to a testing site or your medical provider for a PCR or Rapid Test.

What YOU can do:

- Frequently wash your hands.
- Maintain a safe distance of at least 6 feet, whenever possible.
- Follow our policies to ensure a safe environment for all students, faculty, and staff.

What JBS is doing:

- Staggered arrivals and departure times are built into our schedule.
- Commonly-touched surfaces are frequently sanitized throughout the day.
- Studios are disinfected between alternating groups, as well as at the end of each day.
- Proper ventilation, together with our HEPA Air Filtration system, will be maintained at all times.
- No hands-on corrections are applied by instructors.
- No shared props or materials are used in class.
