

JOFFREY BALLET SCHOOL

FOUNDED BY ROBERT JOFFREY IN 1953

Which Audition should I attend?

The audition style should match the style of the intensive that your dancer is interested in attending.

Each JBS Summer Program (except Cirque Arts) requires an audition for acceptance. Included below are all programs, as well as the audition requirements for each. Please note for programs with multiple audition styles listed, an audition in ONE of the listed styles is sufficient.
